

USPTA ADD Program

Applicant Information Sheet

After you read the following information, please sign and date below. Your sectional contact must also sign this form. Enclosed is your *Application for USPTA membership*. Please disregard all statements and questions pertaining to fees.

A great deal of planning and preparation goes into the USPTA Certification Exam by the USPTA World Headquarters, the head tester, the host facility and students participating in the exam. Because of this, the following guidelines are in effect. Please read the information carefully and address any questions to your divisional/sectional contact or the USPTA Membership Department.

- Any applicant has the opportunity to take the PTCA I online.
- Any applicant registered for the live version of the PTCA I and/or exam must cancel at least 14 days in advance. Anyone failing to do so will be considered a **no show**. All no shows lose eligibility for the minority certification program, and will not be reconsidered. This means that any future application for USPTA membership will include all applicable fees.
- Applicants may only cancel a live version PTCA I and/or exam date once. A second cancellation will result in a loss of eligibility for the minority certification program.
- You will have two years from the date you submit your application, to complete the certification process. If you do not, you will not be allowed to apply for the ADD program in the future.

By signing this document, I understand and agree to all conditions listed above.
